

## **COOPERATION OF ESL/DREAMHACK AND CSPPA REGARDING CORONA PANDEMIC AND EVENT MINIMUM STANDARDS**

- 1.1 CSPPA and ESL/DreamHack agree to cooperate and find the best possible solutions from time to time for all parties in order for ESL and DreamHack to arrange and perform online events within the tournament scope of the Framework Agreement between the parties during such time that it is not possible to arrange LAN event as previously planned. In the process of cooperating the parties will consult with key stakeholders.
- 1.2 The parties agree that while the agreed Event Minimum Standards will continue to apply with respect to Tournaments, the parties will look to agree from time to time to divert from the Event Minimum Standards in separate agreements made between CSPPA and ESL/DreamHack with regards to online events when deemed necessary by all parties.
